

Lions Banner

The emblem on the Lions pin and on the banner (*point to banner*) consists of a gold letter “L” on a circular purple field. The Letter “L” stands for LAW - LIBERTY - LABOUR - LOYALTY - LOVE - LIFE - LIONS. Bordering this is a circular gold area with Lions profiles at each side facing away from the center. One Lion looks back at the proud history of Lions as an international service organization and at the role this club has played in this community and the international family of Lions. The other Lion looks ahead to the challenges we face in both our own community and the international community and to the role the new members will play in this international service organization called Lions. We have LIONS at the top and INTERNATIONAL at the bottom. Lions stands for LEADERSHIP, INTELLIGENCE, OUR, NATIONS, SAFETY.
