

## LIONS INDUCTION CEREMONY (Preamble for Inducting Officer)

(Produced from various sources by Lion C.W."Gus" Este, PDG)

The induction of a new member into a local Lions Club is the beginning of his/her membership development. In order to lend dignity and importance to the induction ceremony it should be performed by a well-respected Lion, either from within the club or from the Zone, Region and District. Be sure to gather all of the pertinent details, especially names, before starting. Some historical data is provided below, however, the official history, Code of Ethics and the Lions Purposes can be obtained from any Club Secretary or downloaded and printed from the Internet. It is wise to choose a long-serving member to give a brief rendition of the Club's history. The Induction is best performed as a Candle Ceremony with six candles, but this is optional. The plural pronoun has been used -each Inductor should adjust the script to use the he / she pronouns as is appropriate.

Lionism began in June, 1917, when a young Chicago insurance agent, Melvin Jones, presented to a group of separate business clubs the idea of consolidating the individual clubs into one strong influential club with the goal of helping the community and serving humanity without regard to politics, religion, race, or in any way the personal interests of the members.

The Lions are members of the largest service-oriented group of Clubs under an International organization, where each member enjoys fellowship, develops leadership capacity and dedicates part of their free time to help those in need in their own community first, but also in the rest of the world.

The members that we will be inducting tonight have been invited to join the over 1.3 million Lions in more than 200 countries and geographical areas around the world who support the Lions Motto: "WE SERVE."
