

INDUCTION CEREMONY FOR UP TO 12 PEOPLE

On January 13, 1879, Melvin Jones was born in Fort Thomas, Arizona and as a young man, made his home in Chicago, where he worked at an insurance firm. In 1913, he formed his own agency.

He soon joined a business club, a group of business minded people whose primary goal was promoting the financial interests of their own members.

Melvin Jones had a vision, a vision that all of the business clubs could work together for the betterment of their communities and the world at large.

On June 7th, 1917, he called twelve people together from nine business clubs and the outcome of that meeting would form the “Association of Lions Clubs”. A National Convention was called for October of the same year and twenty-two clubs were formed.

In 1920 the Association became International with the formation of the Windsor Lions Club. Since then, we have embraced his vision with over 1.3 million Lions in over 200 countries and geographical areas today, to become the largest service organization in the world.

We are about to begin one of the most important occasions in Lionism, the induction of new members, to welcome:

your sponsors presented your names to the Membership Committee, the Committee recommended you, and the Board of Directors approved you. All of us believe that you will be great Lions and that your membership will be beneficial to this club and Lions Clubs International.

You have seen how Lions Clubs serve their communities and their neighbours who are less fortunate than ourselves. This great humanitarian work would not be possible unless people were willing to give freely of their time and effort to the cause of service to the community.

Any member here will tell you that this requires hard work. Work that you will be assigned and that you will be expected to do. Lionism is a cooperative effort in which every member shares the load of other, less fortunate, people.

You will soon discover that the rewards of Lions membership are great. You will enjoy the companionship of some of the finest people within your community. You will be warmed by the thanks of the people in the community in which you serve. You will learn the fun of working with other people through community service.

You will see how Lions answer the needs that challenge the communities of the world. You will see the problems of the community and, as a Lion, will be asked to assume leadership in their solutions.

Above all, you will find in your Lions Club a medium through which you as good citizens and good neighbours can express to others the good will that is in your hearts. You know what Lionism is doing in the service of mankind. You know what is expected of you in the service of Lionism.

Lions Club?

The colors purple and gold were selected as the official colors of the Association in 1917.

Purple represents loyalty to country, friends, to one's self and to the integrity of mind and heart. It is the color of strength, courage and dedication to a cause. President , please light the purple candle.

Gold symbolizes sincerity of purpose, liberality in judgment, purity in life and generosity in mind, heart and purse toward mankind. President , please light the gold candle.

We use the white candle to symbolize Lions Clubs International because it represents truth. President , please light the white candle.

Lion _{LP} , please read the Lions International Purposes.

Lion _{CE} , please read the Lions Code Of Ethics.

since you have expressed a desire to affiliate with this club and with Lions Clubs International, I now ask that you answer me with a simple I will.

Do you hereby accept membership into the _____ Lions Club, knowing that such membership obligates you to participate in all functions of the club, to the best of your ability, will you abide by the Lions Code of Ethics, attend meetings regularly, accept such assignments as are given to you and contribute your share to the programs of your Club, District and Lions Clubs International?

You are now members of the _____ Lions Club.

Your sponsors will now place a Lions pin upon your left lapel, to signify this membership.

The emblem on the Lions pin and on the banner (*point to banner*) consists of a gold letter “L” on a circular purple field. The Letter “L” stands for LAW - LIBERTY - LABOUR - LOYALTY - LOVE - LIFE - LIONS. Bordering this is a circular gold area with Lions profiles at each side facing away from the center. One Lion looks back at the proud history of Lions as an international service organization and at the role this club has played in this community and the international family of Lions. The other Lion looks ahead to the challenges we face in both our own community and the international community and to the role the new members will play in this international service organization called Lions. We have LIONS at the top and INTERNATIONAL at the bottom. Lions stands for LEADERSHIP, INTELLIGENCE, OUR, NATIONS, SAFETY.

I would now ask the sponsors to respond to my words with a simple “I will”.

Will you fulfill the following obligations to the new members?

- make them feel welcome by introducing them to all club members
- provide them with information about the club, its officers and constitution
- see to it that they are provided assignments that will enable them to immediately become an active Lion
- arrange for orientation sessions on Lionism
- be ready to answer any questions they might have on the operation of the club, as well as on any other subject of Lionism
- encourage them to let you know of any existing problems and offer possible solutions
- assist them in developing into outstanding Lions
