

When it comes to meeting challenges, our response is simple: We serve. In 205 countries, in hospitals and senior centers, in regions battered by natural disaster, in schools and in eyeglass recycling centers, Lions are at work, helping, leading, planning and supporting. Because we're local, we can serve the unique needs of the communities where we live. And because we're global, we can address challenges that go beyond borders.

We want everyone to see a better tomorrow. That's why we support sight programs and services including vision screenings, eye banks and eyeglass recycling, provide eye care services to those at risk of losing their sight, and raise donations through fundraising campaigns like Campaign SightFirst and Campaign SightFirst II.

We believe everyone deserves a healthy life. From providing health programs that focus on hearing loss to supporting efforts to control and prevent diabetes, we're working to improve the health of children and adults around the world.

We empower the next generation. Whether it's providing volunteer and leadership experiences in a Leo club or sharing a message of peace through our Peace Poster contest, our youth programs invest in the future by reaching out to young people.

We serve local communities – and protect the planet. From performing hands-on service projects to providing emergency assistance, our community and environmental programs improve our communities – and protect the environment.

MORE VOLUNTEERS In MORE PLACES Than Any Other Service Club Organization

Since our initial start in November 1953 the Perth Lions Club has been a consistent service organization in the town of Perth. Our members believe in our community, our country and our world; striving to assist where we can.

Locally the Perth Lions Club supports causes large and small, helping individuals when appropriate and supporting individuals and communities in times of disaster. Of particular note are the accumulated donations to the Great War Memorial Hospital (Perth Site) of over \$135,000 to support their efforts to ensure quality equipment is available to the residents of Perth.

Fundraising is key to the success of the Perth Lions Club. This is accomplished through large and small events – for example the Perth Lions Garlic Festival held annually for over 20 years. The Perth Lions Hall is available for hall rentals for large and small events.

Working for our communities is a prime goal. Supporting sight programs and related services is a passion.

Ready to Help, Local & Worldwide

Whenever a Lions club gets together, problems get smaller. And communities get better. That's because we help where help is needed – in our own communities and around the world – with unmatched integrity and energy.

Our 46,000 clubs and 1.4 million members make us the world's largest service club organization.

We're also one of the most effective.
