Lions: Knights of the Blind

Lions are known for their service to the blind and visually impaired.

This dedicated service began in 1925. During a Lions International Convention, Helen Keller, a woman who had been blind and deaf since childhood, challenged Lions to become her

"knights of the blind in this crusade against darkness"

The Lions accepted Helen Keller's challenge.

Today, Lions clubs around the world are involved in many sight related areas in order to help prevent blindness

As part of this commitment we collect and recycle eyeglasses.

Lions Clubs
International

The Millbrook and District Lions Club is part of a worldwide service organization known as Lions Clubs International.

Who Are Lions?

Lions meet the needs of local communities and the world. The 1.35 million members of our volunteer organization in 206 countries and geographic areas are different in many ways, but share a core belief – community is what we make it.

Ready to Help, Worldwide

Whenever a Lions club gets together, problems get smaller. And communities get better. That's because we help where help is needed – in our own communities and around the world – with unmatched integrity and energy.
