

September 10

Dear past member

I am the membership chairman for the lions year 2009-10 and am interested in keeping the lions family of Westport healthy. In this regard I hope to keep our membership roster active and am encouraging current members to bring new members into the family. I am also looking forward to having past members, such as you, return to the family and help us maintain our relations with the communities we serve.

I therefore am extending to you an invitation to rejoin the Lions Club of Westport. I would be very happy to have you attend our meeting on Wednesday October 14th as our guest. I would like to discuss with you at that time the possibility of your intention of rejoining the club at the next meeting of October 28th .

Your previous interest in serving the community was commendable and I am sure you would like to continue do it as a Lions member.

If you have no interest in rejoining the Westport Lions Club would you let me know by September 28 either by phone 613-273-5201 or mail to my address RR#2 Westport K0G-1X0.

Thanking you in advance for your consideration in this matter and your interest in the past, I remain,

Yours in Lionism,

J.E. McGlade
Membership chairman,
Westport lions Club
